it now. I predict that Lincoln and Omaha will feel this in another four, five or six months. So I think what we ought to do is take the 20 senators, go back to Washington, D.C. along with some of the legislators of other states and present our case and plead our case and tell them that if they insist on having a cheap food policy in this country then they should be willing to help us out a little. Thank you.

PRESIDENT: The Chair has the privilege of announcing that Senator Conway has a guest under the north balcony, Mr. Allan Bligh from South Sioux City, or at least he was there. Welcome to the Legislature.

Senator Nichol, do you want to conclude this personal privilege round here.

SPEAKER NICHOL: Mr. President, not necessarily closing because there is no vote to be taken or anything but I just wanted you to know what the thinking was on this one item so it wasn't a secret to you in the future that it came out that more than 20 were going to go. I don't think it will be many more than 20, but for those that are intensely interested I think it would be a good thing. I thank you for listening this morning.

PRESIDENT: Thank you. Anything for the record before we go to resolutions, Mr. Clerk?

CLERK: Yes sir. Mr. President, I have a request from Senator Nelson to add her name to LB 173, and from Senator Hannibal to LB 243.

PRESIDENT: Is there objection? If not, so ordered.

CLERK: Mr. President, Senator Hoagland, as Chair of the Judiciary Committee, would move to suspend Rule 5, section 40 so as to permit the introduction of more than eight bills by the Judiciary Committee. That will be laid over, Mr. President.

PRESIDENT: Ready now to proceed to agenda item #5, consideration of LR 17.

CLERK: (Read LR 17 found on page 201 of the Journal.)
